PRESENTATION :

Whether you are in our port of Cala del Forte or in the Port Hercule during the Grand Prix Automobile weekend, so that you can watch the races and enjoy a unique experience, we are offering you and your guests the opportunity to purchase packages (3 days: Friday-Saturday-Sunday).

Each package gives you access, between 9.00 am and 6.00 pm, to our V.I.P. "Monaco Ports Lounge" with a direct view on the slow-down just after exiting the tunnel and the Chicane of the Formula 1 circuit.

We will provide access by sea from our port of Cala del Forte, arriving directly in the Port Hercule with our fast MONACO ONE shuttle (on reservation), by coastal shuttle according to set times, or by tender inside the Port Hercule. Vessels accepted in zone 4 will be able to anchor in the roadstead and will be issued with a badge allowing them access to the "Monaco Ports Lounge" with their tender (maximum length of 9 m). Access by land will also be possible from the footbridge near the Metropole.

DESCRIPTION OF THE MONACO PORTS LOUNGE PACKAGE:

With a surface area of 700 m², spread over three levels, and a capacity of 400 people, our V.I.P space "Monaco Ports Lounge" will enable you to enjoy a unique experience from your reserved seat. Drinks and snacks will be available throughout the day, as well as additional services (Wi-Fi, toilets, etc.).

You will also be able to have lunch at the Société Nautique restaurant located 200 m to the east side of the quay alongside the Yacht Club de Monaco building.

All access will be controlled by scanning the unique QR code included in each daily PASS.
